## YEAR 7

Year 7 have looked at what it means to be a young carer this week through tutor set, and what we can do to support pupils in our year group who are young carers. Pupils have been continuing to develop their returned assessments, using purple pen to improve their understanding of key areas.

Moving into the final week of term, our girls' football team have the county cup final and we are very excited to see them play!

Head of Year 7: Miss L Hughes Achievement Coordinator: Miss I Ridley

## YEAR 8

During tutor time, Year 8 have been focusing on the topic of Young Carers in the community. This has provoked discussions, which have displayed both the maturity and kind-hearted nature of the year group. Students now feel well informed and understand how they can help students that may be helping a little more than normal at home.

Some students in Year 8 have also started to prepare mini language lessons which they will deliver in feeder Primary schools after half term. Well done!

Head of Year 8: Miss N Ward Achievement Coordinator: Miss B Marshall

## YEAR 9

The Year 9 Boys' Football Team have retained the County Cup with a 3-1 win over Beckett. In a closely fought match Toot Hill took the lead after 10 minutes but Beckett equalised five minutes later. Toot Hill took the lead again with only 10 minutes left of the match before scoring a penalty in stoppage time to seal the win. Congratulations to the team and good luck to them in their other upcoming semi-final. There is also an athletics event coming up at the new track in Newark on Monday 20 May and Year 9 students have been chosen to represent the KS4 team so we'd like to wish them luck as well.

Please remember there is no extended study in the final week of half term apart from girls football on Wednesday 22 May with the Nottingham Forest coaches.

Head of Year 9: Mr D Mordue Achievement Coordinator: Miss J Smith

## YEAR 10

The Year 10s have been voting for their tie for Year 11 in tutor time this week. A student panel picked three ties for the year group to vote on and the final tie will be revealed next week! In addition, the students have been learning about revision techniques in active tutoring and gaining more information about what their mock exams in June will cover.

We are encouraging students to book their Work Experience placements now. If your child requires any help doing this, then please contact your child's tutor.

Head of Year 10: Miss V Salt Achievement Coordinator: Miss I Sheldon

## YEAR 11

I would like to take this opportunity to congratulate all of Year 11s following Celebration Day. It was a fantastic day and provided the perfect opportunity for staff and pupils to come together to reflect on their time at Toot Hill. The formal exams are now well and truly underway. A big thank you to all parents and carers for their support at home during the next critical few weeks.
