A FEW WORDS FROM MRS PALEY...

YEAR 7

In the final week of half term, it has been great to see how creative Year 7 have been getting working from home. We have had many examples of this including Meghan G's spectacular efforts to accompany a Spanish description of her town.

We have lots to look forward to after half term with our achievement assembly scheduled, your teachers have been nominating so many of you for all of your efforts this half term.

Please ensure you all have a well-earned rest over half term and stay safe.

Head of Year 7: Mrs L Munro Pastoral Lead: Mr M Leslie

YEAR 8

In what is our final week of this half term, we would like to say a huge thank you to all of Year 8 and their families, for their hard work this half term. You have been exceptional in the subject work provided, but also getting involved in the other activities through our Weekly Assembly, at home with family and with your tutor set.

An example being the phenomenal summer house being build by James C (Year 10) with the support of Matt C (Year 8). Many of you nominated your teacher for 'National Thank a Teacher Day', and put smiles on lots of your teachers' faces. Another example of where you all demonstrate kindness and compassion.

We hope that you all have a restful half term and we look forward to supporting after the break.

Head of Year 8: Miss L Hughes Achievement Coordinator: Miss I Ridley

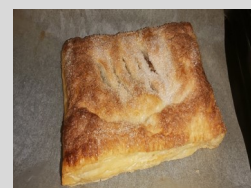

YEAR 9

A massive well done to the year group for your hard work, understanding and kindness demonstrated this half term. It feels like a long time since we were in school, yet to see the engagement with your tutors and on Teams reassures me that we are still working together as a year group.

I have continued to be proud of the fantastic work shared by teachers showing what you have produced whilst at home. A particular mention this week to the Food Tech and Catering classes for your enthusiasm to continue developing your cooking skills.

Have a relaxing half term and stay safe ☺

Head of Year 9: Miss N Ward Achievement Coordinator: Miss B Marshall

YEAR 10

As the half term draws to a close the year team would like to pass on how proud they are of Year 10 students as a whole. More and more students have started to send us photographs of their hobby activities and examples of work they have completed as well as messages of support and thanks that have been so thoughtful. From summer house building to cake making, home workout routines to artwork, the list is endless demonstrating how students and their families have responded to the current situation.

Thanks to Caer G in Mr Tinsley's tutor set for this picture of a delicious looking Victoria Sponge cake, Mr Mordue is also an avid baker and this has given him some inspiration for half term! During half term please put school work to one side and take time to relax and recharge. Stay safe.

Head of Year 10: Mr D Mordue Achievement Coordinator: Miss I Sheldon

YEAR 11

We hope that you and your families are well.

We wanted to use this opportunity to say how resilient and brave the Year 11s have been this term. We know that this has been a really challenging and emotional time for the students, but they have coped so incredibly well and we could not be more proud of them. The year group have shown that they can do absolutely anything they put their mind to and have demonstrated such strength in character.

We hope that the Year 11s have a well earned rest over half term and we look forward to hearing what they have been doing.

Head of Year 11: Miss V Salt Achievement Coordinator: Miss A Hall
