

| Effort Score                        | Descriptor   |
|-------------------------------------|--|
| Toot Hill Award<br>6 (rarely given) | Pupils are always fully immersed in lessons and complete the vast majority of work to an exceptional standard, frequently exceeding the teacher's expectations.  |
| 5                                   | Pupils are actively engaged in the majority of lessons, complete all work to a very high standard, are polite and helpful and have a positive effect on the learning of other pupils in the class.                               |
| 4                                   | Pupils are usually engaged in lessons, complete most classwork to a high standard and are polite and helpful.  |
| 3                                   | Pupils occasionally engage with lessons, consistently produce work of a standard that could easily be improved and are polite and helpful.   |
| 2                                   | Pupils regularly fail to meet some of our basic expectations concerning work rate, equipment for lessons, meeting deadlines or respect for others, and they occasionally have a negative effect on the learning of other pupils. |
| 1                                   | Pupils regularly fail to meet any of our basic expectations concerning work rate, equipment for lessons, meeting deadlines or respect for others and they often have a negative effect on the learning of other pupils.          |

| Homework Score                      | Descriptor  |
|-------------------------------------|---|
| Toot Hill Award<br>6 (rarely given) | Homework regularly exceeds the expectations of the teacher and demonstrates initiative. It is always handed in on time. |
| 5                                   | Homework is always completed to a very high standard and always handed in on time.                                      |
| 4                                   | Homework is usually completed to a high standard and usually handed in on time.   |
| 3                                   | Homework is usually completed to a satisfactory standard and usually handed in on time.                                 |
| 2                                   | Homework is rarely completed to a satisfactory standard and is often handed in late.                                    |
| 1                                   | Little or no effort is being put into homework.   |
