Dear Parents/Carers

Activities Week / Foreign Trips

Activities Week at Toot Hill School is always a memorable and enjoyable experience for both students and staff and has been a unique feature for our school for many years. We are wholly committed to providing extensive enrichment activities for our students and have been working hard to ensure we continue to do so safely and successfully.

As a result of the current national high security alert status, we will continue to complete robust checks and work closely with providers to ensure the maximum safety of our students and staff.

We intend to run all of the proposed trips in Activities Week and are confident and reassured that all measures are in place to ensure safe, enjoyable excursions. However, as Parents / Carers please be mindful that it is your responsibility for making the final decision as to whether or not your child travels with us.

We are still continuing to go ahead as planned with all of our foreign trips. Please be reassured that we are fully informed of any updates from the Foreign office and consistently seek and follow its recommendations.

If you have any queries about the above please contact the school office at school.office@toothillschool.co.uk.

Yours sincerely

Mrs S Paley
Head of School
