Dear Parent / Carer

Parent Forum Evening – Tuesday 14 March 2017 – School Hall

We would be delighted if you could join us at our Parent Forum Evening on Tuesday 14 March 2017 at 7.00 pm, in the School Hall. The Forum provides an opportunity for us to discuss certain aspects of school life in more detail, and for you to ask questions and give feedback from a parent's perspective. The topics to be covered at this forum are:

- *Career preparation at Toot Hill School:* This will include an explanation of how we enhance our students' awareness of the skills required and pathways available to enable them to decide on, and follow, a suitable successful career.
- *Developing character at Toot Hill School:* An overview of the extended curriculum that we offer at Toot Hill School so that pupils can gain valuable opportunities in a wide range of skills. Also in a presentation on the positive attributes we are encouraging our students to develop.
- *E-safety:* In the rapidly changing on-line work, on-line safety remains an area we continue to focus on with our students. This is an opportunity to share with you the advice and guidance we offer our students so that together we can help them keep safe.

The evening, which should last no longer than an hour, will also include the opportunity to view our new school trousers and skirt as modelled by our students. The evening will conclude with a traditional Question and Answer session. In keeping with the format for previous Forums, it would be most useful if specific questions could be posed in advance of the evening in readiness for the Q & A session. Please therefore email your question(s) to my PA, Celia Pontin at cpontin@toothillschool.co.uk.

We look forward to seeing you.

Yours sincerely

Mrs S Paley
