To: Parent(s)\Carer(s) of Year 7 Pupils

Dear Parent(s)\Carer(s)

I am writing to inform you that Year 7 students will be completing their Internal Assessments after May half term. Students will complete assessments in each of the subjects listed on the attached sheet and this will provide vital information on your child's progress and Current Attainment Level (CAL).

As the Internal Assessments are approaching, we are keen to support students by providing as much revision material as possible. Please see the information in the enclosed table indicating resources which can be referred to when revising.

In the lead up to the Internal Assessments, students will be receiving information through 'Active Tutoring' on effective revision strategies. The Internal Assessment timetables will also be given to Year 7 students during tutor time.

Please do not hesitate to contact us if you have any questions or concerns.

Yours sincerely

L Munro
