

**6. Given my GCSE Results profile, what have students tended to study in the past and where have they tended to go after Toot Hill College?**

Every student is an individual case and different pathways are appropriate for different students. As such, the information included below is simply a guideline, not in any way a prescriptive pathway, of what students have tended to select in the past.

*Below is included information regarding national trends in KS4 to KS5 pathways – that is, given what a student achieved at GCSE, what have they been likely to study and achieve at A Level, and what did they tend to select as their preferred post-Toot Hill College destination.*
