

EXTENDED STUDY AT TOOT HILL SCHOOL

What is Extended Study?

Extended Study is an opportunity to participate in a greater variety of enrichment and academic support sessions.

Monday–Thursday: **3.00–4.15pm**
Friday: **2.10–3.15pm**

Prep Hall

Monday: **3.00pm–5.00pm**
Tuesday–Thursday: **4.15–5.00pm**

Prep Hall is a 'quiet, independent working environment' and will be in SC2 supervised by your teachers.

What will my Extended Study session look like?

Your teachers are running an Extended Study session that fit into one of the following categories:

ENRICHMENT Engaging activities that go beyond the curriculum that you are passionate about, enjoy and are interested in—from knitting to debate club.

MASTER CLASSES Are you aiming for a grade 7, 8 or 9 in your GCSEs, or A/A* at A-Level? Then these sessions are for you! Begin learning university-level knowledge now!

KEEP UP NOT CATCH UP These sessions provide additional opportunities to continue to learn the course content within a subject area. A must to ensure you stay on track.

LEARNING SKILLS These sessions are to develop new skills that you may not necessarily cover in your lessons. The skills you learn will have a lasting impact with you throughout your career. This could range from developing team work skills on the Duke of Edinburgh Award to cooking skills for home.

SEE YOU AT EXTENDED STUDY!
