To Parent(s)/Carers of Year 6 students

Dear Parent(s)/Carers,

Transition to Toot Hill School September 2021

I would like to make you aware of the key dates for Year 6 students' transition.

- Mon 5th July or Tues 6th July – Year 6 Transition Day. Your child will be invited to take part in a range of different activities, meet teachers and try a range of lessons all aimed at helping students to get to know the school. Please refer to the attached sheet to see which of these two dates applies.
- Wed 7th July – Parent and Student Information evening which will be held online. Further details will be shared very soon.
- Friday 3rd September – Year 7 Induction Day. Please see details below.

Further information regarding the July Transition Day will be sent to you as the term progresses. A full Transition website will be available in May and a link for this will be sent to you once it is live. Please do not hesitate to contact the Admissions Department regarding any questions or queries.

At Toot Hill School, we continually try to improve our provision based on feedback from students, staff and parents. During the last two years, we have included an additional Year 7 Induction Day to our transition programme, which will take place during one of our INSET days on Friday 3rd September. The timing of this day is crucial in supporting and welcoming Year 7s into our school. There will be no other students in school that day so we can focus solely on supporting our new year 7 intake to give them the best possible start. Students will need to bring their own packed lunch on this day and please also note that it will be your responsibility to arrange transport to school for 8:25am and collection at the end of the day at 2:10pm. This has been a great step in further supporting our new students to enable them to be fully familiarised with our values, expectations, systems, staff and our school day at the beginning of their first year with us.

Thank you for your continued support and we look forward to working in partnership with you during the next chapter of your child's educational journey.

Yours sincerely,

Dr C Eardley
Head of School

Mr D Mordue
Head of Year 7 September 2021
