

February 2020

Dear Parent(s) / Carer(s),

Welcome to Year 7, 8 and 9 Activities Week 2020!

This year activities week commences with a sprint start on Monday 13th July as the PE Department hit the ground running with their annual Sports Day extravaganza. After the success of last year there will again be something for everyone as alongside the traditional track and field events will be fun-filled activities like wellie-wanging, tug-o-war, speed bounce and shooting games

After Sports Day pupils will be taking part in an activity of their choice which this year is underpinned by the theme of trying something new and **'Creativity'**. We hope your child's activity provides a fun and enjoyable learning experience to finish their school year on a real high! For more details about the AW20 application process please see the 'Application Information Page' in the booklet.

After sports day and three action packed days of activities, the week concludes on Friday 17th July as **'T-Festival 2020'** takes centre stage and gives our budding rock bands, solo singers and staff wannabees the opportunity to perform at our very own end of term outdoor party.

This year for environmental reasons we are emailing you a PDF version of the AW20 booklet and yellow application form. The booklet contains details of the diverse range of activities on offer. You can also download a copy from www.toothillschool.co.uk or collect a paper copy from main reception.

AW20 will finish at 12 noon on Friday 17th July 2020, the last day of the school summer term. Morning activities will draw to a close just before noon allowing students time to get their usual bus home which will depart from the bus park at 12.10pm. Lunch will not be served on site that day but the canteen will continue to run breakfast and break time services.

Can I please request that all yellow application forms are promptly returned to your child's tutor by **Monday 9th March 2020.**

Yours sincerely

M. Tinsley
