

WEEKLY BULLETIN

Week Ending: 23 June 2017

KEY MESSAGES

- Please ensure your child brings a water bottle to School
- If your child has to leave within school hours, please collect them from Reception as we cannot allow them to leave unaccompanied
- Parent Forum 'Think for The Future' presentation notes are available on the noticeboard on the website
- If your child uses Snapchat, please ensure they set their profile to 'ghost' otherwise users can see where your child is

YEAR 7

This week students have been receiving their assessment scores and reflecting on the progress they have made since September - these scores will be sent home in their end of year report in early July. With their tutors, Year 7s have been planning for their T-Fest stalls taking responsibility for the managing, marketing and delivery of their allocated stall.

The boys' football team succeeded in winning their second cup of the season with a close 2-1 win over George Spencer and player of the match was awarded to Daniel Warren for scoring both goals. A fantastic team effort means the team finished the season unbeaten - well done boys!

Head of Year 7: Mrs L Munro

YEAR 8

Congratulations to the Junior Boys who have qualified for the National Finals in Athletics. This competition will take place in Oxford on Saturday, 1 July 2017.

Year 8 Languages Day on Tuesday was fantastic. The students involved represented themselves impeccably whilst working in small groups on different projects.

Every Friday, students in Year 8 complete a news-based quiz during tutor time. Please discuss topical issues with your child and encourage them to take account of local, national and global topics.

Thank you for your questions regarding school reports. The next school report will be made available towards the beginning of July.

Head of Year 8: Mr A Modi

YEAR 9

This week saw the second trip to Skegness as part of the Geography GCSE course. It was a very valuable opportunity for pupils to put their skills into practice and sets them up nicely for the examinations ahead. A big well done to all pupils involved and a thank you to Mr Still, the geography department and the other staff involved in facilitating the trips.

Parent Forum provided a timely opportunity for the school to consider some important themes this week - the impact of alcohol and drug use. It is really important that the school works closely with the community to educate the pupils on such topics.

Head of Year 9: Mr D Lynas

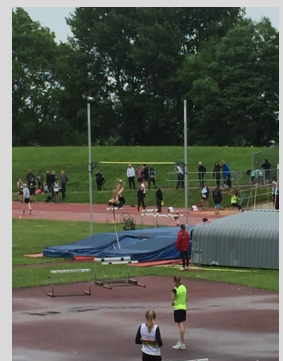

YEAR 10

Year 10 have had a fantastic week with some incredible achievements both in school and out. The behaviour from the majority of the year group has been phenomenal during the examinations and staff have been incredibly impressed with the way that they have conducted themselves.

Alongside this, we have had BTEC Drama performances. We have been blown away by the incredible talent shown by the performers. We have also seen some brilliant athletic achievements from our boys, resulting in us getting through to the National Athletics Finals in Birmingham.

Geography pupils need to ensure that they have returned their consent forms for the Geography trip on 6, July. If they have still not got one of these then they must ensure that they collect one from their Geography teacher this week.

Heads of Year 10: Ms L Hughes & Mr R Wickens

Activities Week 2017

Please remember that your child's place on their activity at Activities Week is only secured once a signed consent form has been received. Please return your child's consent form urgently if you haven't already done so. General enquiries (mtinsley@toothillschool.co.uk). Finance enquiries (jpackard@toothillschool.co.uk)
