YEAR 7

This week has been busy for Year 7 with lots of enrichment activities taking place, the first one being the Creative Conductors STEM Workshop on Tuesday, 8 May which the students found really engaging, inspiring and enjoyable whilst experiencing activities to do with Science, Technology, Engineering and Maths.

Another event held this week was the dance Ceilidh held on Thursday, 10 May. Over half of the year group volunteered to take part which was fantastic; the students really enjoyed learning a new style of dance whilst listening to the music and having fun with their friends. Thank you to Ms Prior for providing the students with this exciting opportunity.

Head of Year 7: Ms N Ward and Assistant Head of Year 7: Miss B Marshall

YEAR 8

The semi final of the South Notts Cup was an all-Toot Hill-affair with the A and B team playing against each other for a spot in the final. The game started evenly, but the A team were comfortable winners in the end with a 9-2 victory. What was most pleasing was the team spirit and sportsmanship shown by the boys. Thank you to Mr Lynas for his commitment to the teams and Ella McManus (Year 10) for officiating the game.

A special mention must also go to the Year 8 Prefects who managed to raise a total of £109.43 for Sue Ryder Care!

Finally, a massive thank you to all students in Year 8 for being so welcoming in my first week!

Acting Head of Year 8: Mr M Jepps

YEAR 9

Year 9 have had an excellent second week of assessments. Their behaviour in exams has been impeccable, they have been fully equipped and we have been really proud of the positive feedback that we have received from the invigilators. This will stand them in good stead for the external examinations at the end of Year 11.

A massive well done to the Year 9 boys' football team who won the Forest Vase Final against Arnold Hill (4-0) on Wednesday evening, 9 May at the City Ground (see picture). The boys' team spirit and commitment to the game shone through. Well done boys!

Head of Year 9: Ms V Salt

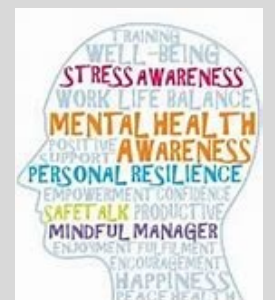

YEAR 10

The theme in active tutoring this week has been mental health and wellbeing. I have been really impressed with the supportive and mature attitude of pupils as they have discussed some very sensitive issues in tutor set.

Parents' Evening on Wednesday, 9 May was a real success this week. Thank you to all parents and carers for attending and for your continued support. We now look forward to next week when the other half of the year group will be in attendance.

Lastly, another plea for Enterprise Week reply slips and money to be returned as soon as possible. Thank you.

Heads of Year 10: Mr D Lynas
