## YEAR 7

A huge welcome to everyone involved with Year 7 at Toot Hill School. This week, our new cohort have been getting used to their new surroundings, spending time with their new tutors and meeting all of their subject teachers. The Year 7 team have received endless amounts of feedback around how quickly the year group have settled in and how much of a positive impact they have had on the Toot Hill School community.

The year group have also received a free reading book called *Swimming Against the Storm* from the author Jess Butterworth, which we will be reading together during active tutoring.

We could not have hoped for a better start for the class of 2024!

Head of Year 7: Mrs L Munro Pastoral Lead: Mr M Leslie

## YEAR 8

We would like to welcome back the Year 8s into the autumn term. We are so pleased to see everyone and hugely impressed with the effort that they have put into all of their new lessons.

The pupils have had a huge focus on how to use their knowledge organisers and purple pens to support their learning. Extended study timetables have been given to all students this week and we look forward to seeing many of our year group in attendance next week.

Head of Year 8: Miss L Hughes Achievement Coordinator: Miss I Ridley

## YEAR 9

Welcome back to Year 9. The year group have had a great week settling into Key Stage 4 as well as GCSE options.

We are returning to school after lots of success for the year group over the summer. Particular mentions to Phoenix Wier who won the LTA Doubles National Championships. Also Archie Gordon-Beeson achieved a grade 9 in French GCSE which was fantastic for such a young student!

Head of Year 9: Miss N Ward Achievement Coordinator: Miss B Marshall

## YEAR 10

Year 10 have had a fantastic start to the year; many staff have been really complimentary about their high levels of behaviour and attitude which if the pupils can sustain will give them a really strong foundation for Year 11. New pupils and staff have been made to feel really welcome and form tutors have ensured that their tutees are well prepared for the year ahead.

Extended study starts on Monday 9 September 2019 and it is essential that Year 10 pupils identify the sessions that they can attend which will help them remain on target or even exceed expectations. A huge thank you to Miss Sheldon, our new Achievement Co-ordinator, for meeting so many Year 10 pupils and parents and making them feel supported.

Head of Year 10: Mr D Mordue Achievement Coordinator: Miss I Sheldon

## YEAR 11

Year 11 have had an excellent start back and look incredibly smart in their new ties. They conducted themselves extremely well on the induction day on Monday 2 September 2019 where they learnt about organisational skills, learning habits and well-being. The teachers who led these sessions have fed back that the pupils were focused, polite and determined.

We very much look forward to working with you and your children in this crucial year. They could not have had a better start!

Head of Year 11: Miss V Salt Achievement Coordinator: Miss A Hall
