YEAR 7

As part of our 'Work Hard Be Kind' ethos, during active tutoring the Year 7s have been planning how they can support Children in Need on Friday 15 November. Alongside a sponsored non-uniform day, we are hoping the year group can come together and think of some creative ways to raise money for the charity.

Moving into the final week of our first half term, we have our first inter-tutor set sports tournament taking place on Monday 21 October. We have had over 150 students sign up to take part and we will be sure to update you on the results next week.

YEAR 8

We have had a great week with Year 8 who have been learning about CPR for Restart the Heart Day. All Year 8 pupils took part in learning about how to carry out CPR and saving lives. We are very proud of the way that all pupils engaged and took part in this!

The junior boys swimmers have received excellent news that they have reached the National finals for freestyle and medley competitions. We look forward to supporting them in London!

YEAR 9

The Year 9 football team had a massive win last week 5-3 away at George Spencer Academy. This was a fantastic achievement with a hat trick from Matthew Anderson.

Next week we have GCSE Information Evening for Year 9 parents on Thursday 24 October from 6-7.45pm. We hope to see as many of you attend to find out more about the year we have ahead.

YEAR 10

Year 10 students travelled to Rushcliffe Arena this week as part of a Citizenship trip. They joined Deputy Leader Councillor Debbie Mason and council officers to celebrate National Democracy Week with a mock election. The session explained how to register, vote and make sure their voices are heard. Well done to Sophie on her election!

We would also like to wish Rhiannon the best of luck as she is being observed by Loughborough Storm across two trial days. This caps off an amazing season for Rhiannon who took a wicket on her debut for Nottinghamshire Ladies and won numerous bowling awards.

Letters for a Careers Trip after half term have been sent home and as places are limited they should be returned as soon as possible if pupils would like to attend.

Head of Year 10: Mr D Mordue Achievement Coordinator: Miss I Sheldon

In addition, the students have been given a booklet with tasks in to fill in on their placement that needs to be returned to school on the first Monday back. Please can you make some time to talk to your child about their placement to ensure that they feel confident on Monday.
