YEAR 7

Year 7 have been great this week, in line with our 'Work Hard and Be Kind' ethos. The girls' football team played fantastically this week and scored an impressive 10-1 in their match. The draw for the next round is on Monday, 10 December so we look forward to seeing how they do in the future.

We would like to say a huge thank you for all the boxes donated to our 'Operation Christmas Child' Appeal which we have run in conjunction with Year 8. The parcels were taken and delivered this week and you can see a picture below right.

YEAR 8

Huge thanks to the Year 7 and 8 students who have brought in shoe boxes to donate to the 'Operation Christmas Child' Appeal run by the Samaritans. The support and kindness students have demonstrated makes us very proud as they have taken the time to ensure less fortunate children across the world are able to enjoy a Christmas gift.

We are looking forward to further celebrating the successes of the year group in our Achievement Assembly next week.

Head of Year 8: Miss N Ward Achievement Coordinator: Miss B Marshall

YEAR 9

Congratulations to the two Year 9 students who, on Tuesday, 4 December, were recognised by the Mayor of Bingham for their community spirit in helping an elderly resident in distress. We are very proud of how the students assisted.

The Year 8/9 girls' cross country team were victorious in the overall Nottingham schools team competition at the weekend. Our team has shown outstanding commitment in the past few weeks, turning up early on a Saturday to run in all types of weather conditions.

Acting Head of Year 9: Mr D Mordue Achievement Coordinator: Miss J Smith

YEAR 10

Year 10 had a fabulous end to the week with their Achievement Assembly. They enjoyed seeing themselves in the tutor video and were very excited to see who had won the awards! It was great to see so many students win awards and be proud of their achievements.

The year group earned a fantastic 2,952 credits this term! Tutor set 10.1 gave everyone a run for their money as they earned the most credits overall. Well done to Ollie Firth who won the most credits in the year group. This was closely followed by Kian Hughes (second place) and Poppy Young (third place).

In addition, awards were given to Kayli Stone for 'most improved homework' and Josh Chambers for 'most improved attitude'.

Head of Year 10: Miss V Salt Achievement Coordinator: Miss I Sheldon

YEAR 11

Year 11 have been considering charity as the theme in tutor set this week. Pupils are currently collecting food items in preparation for making a donation to a local food bank before Christmas. Any non-perishable food items you are able to provide will be warmly received. Thank you in advance for your support with this.

In assembly this week, the National Citizenship Service team were in attendance to launch this year's NCS programme. It is a fantastic opportunity for pupils to get involved in some great initiatives once they have finished their GCSEs in the summer of 2019. There will be lots more information about NCS over the next few months.
