## YEAR 7

Following last week's messages in the bulletin, it was great to see so many Year 7 students attend many of our various Extended Study activities after school this week. Over 50 pupils turned out on the afternoon of Wednesday 18 September 2019 to trial for the school football teams, Mr Lynas (Head of Physical Education) was very complimentary following the session and excited about the sporting talents we have in Year 7.

We have tutor review day on Tuesday 24 September, please ensure you have booked in your appointment with your tutors. We are looking forward to meeting you all then.

*Head of Year 7: Mrs L Munro Pastoral Lead: Mr M Leslie*

## YEAR 8

Year 8 have had another busy week back and have settled in tremendously well to the new term. In assemblies this week they have been looking at the reasons why different strategies can help them in class to learn and retain lots of new knowledge with the help of their Knowledge Organisers.

We have had brilliant attendance at the Extended Study sessions with 131 completed so far!

A reminder that if you have not yet sent your EV4 form back for Adventure 8, this needs to be in no later than Tuesday 24 September!

*Head of Year 8: Miss L Hughes Achievement Coordinator: Miss I Ridley*

## YEAR 9

Congratulations to all the students who attended Achievement Evening this week. We are so proud of all the fantastic achievements of our year group from last year from a range of academic to enrichment activities.

Well done to Rachel Ward who was nominated for the Rachel Clifford Award and of course to the star of the show Alessio Corah who received the Head Teacher's Award.

*Head of Year 9: Miss N Ward Achievement Coordinator: Miss B Marshall*

## YEAR 10

This week has seen a rise in the number of Year 10s attending Extended Study and whether it has been academic, sporting or leisure based, it's great to see pupils making the most of every opportunity.

Congratulations to Rhiannon who has won two prestigious cricket awards recently; she was the winner of the U15 and U17 Best Bowler at the Nottinghamshire Ladies Cricket awards. Continuing with sport the Year 10 Boys' football team couldn't keep up their amazing winning streak as both the A and the B Team narrowly lost to National and Christ the King respectively. All of the players represented school immaculately.

As homework stacks up please could you ensure that pupils are checking Insight regularly so that they keep on top of deadlines.

*Head of Year 10: Mr D Mordue Achievement Coordinator: Miss I Sheldon*

## YEAR 11

Year 11 have had another excellent week. It was wonderful to be able to celebrate with the students at Achievement Evening this week. Louis Taiwo won the 'Headteacher's Award' and Pari Keshavji won the 'Rachel Clifford Award'. It was a fantastic evening and the students should be very proud of themselves.

Tutor Review Day is fast approaching and we are looking forward to seeing students and parents to set focused targets for the year ahead. In addition, Work Experience placements need to be secured as soon as possible. If your child needs any help with this then please email Mrs Farmer (ffarmer@toothillschool.co.uk).
